

# Astronomical Society of South Africa Cape Centre

Eighteenth Session 1931-2

Minutes of Ninth Ordinary Meeting

Held in Chambers of Standard Bank A.B.C. Branch

Spencer St. Cape Town Wednesday June 15. 1932 at 8.15 pm

Present Mr. G. Horrocks in the Chair, there was a good attendance

Minutes of Meeting held May 18. 1932 were read & confirmed.

Dr H. Spencer Jones F.R.S. gave an address on his recent visit to Observatories of North America which included Columbia University, New Haven, Van Vleck, Ann Arbor, Yerkes, Dearborn, Lick & Mount Wilson

He spoke of the directors and other prominent workers of the various observatories <sup>visited</sup>. He described the equipment and the programme of work undertaken at each observatory visited

He also gave a description of the Chicago Planetarium

Among the meetings attended was one held by the Bond Astronomical Club. <sup>at</sup> ~~at~~ Harvard

Here he had tendered greetings from this Society and had been asked to convey the reciprocal greetings.

The address which lasted nearly two hours was very attentively listened to and a vote of thanks was passed with acclamation.

The meeting terminated at 10.45 pm
