

Astronomical Society of South Africa (Cape Centre)

Minutes of Committee Meeting held at the Royal Observatory on Friday the 20th February 1942, at 8.15 P.M.

Present: Dr Jackson (in the Chair) Messrs de Kock, Kruys, Simenhoff and the Hon. Secretary. Apologies for absence had been received from Dr. Moy, and Mr. Hirst, and Mr. Turner.

The Minutes of Committee meetings held on the 7th August 1941, and the 12th Nov. 1941 were read and confirmed.

The Treasurer's statement, read by the Hon. Secretary in the absence of Mr. Turner, showed a balance in hand of £14⁰ 14⁰ 8⁰.

It was decided that Mr. Hirst should address the meeting in March, Mr. Houghton in April, an Air Force instructor or officer in May, Mr. Forbes in June on the mechanical side of the making of the 200-inch telescope.

This concluded the business for the evening.
