

Astronomical Society of South Africa (Cape Centre)

Minutes of Committee Meeting held at the Royal Observatory on Wednesday the 24th June 1942, at 8.15 P.M.

Present: Dr. Jackson (in the Chair) Messrs Schonegevel, de Kock, Krumm, and the Hon. Secretary. Mr. Simenhoff was away from Cape Town, and so unable to attend the meeting.

The Minutes of Committee Meeting held on the 20th February 1942 were read and confirmed.

No Financial Statement was read, as the Hon. Treasurer was not present.

The Draft Annual Report, read by Dr. Jackson, was adopted by the meeting.

It was decided to hold a joint meeting of the Cape Centre and the Society on Wednesday the 15th July.

Mr. Forbes was to be asked to deliver his address on the 200" telescope for the meeting in August.

This concluded the business for the evening.
