

Astronomical Society of South Africa (Cape Centre)

Twenty-ninth Session

Minutes of an observational meeting held at the Royal Observatory on Wednesday the 17th February 1943 at 8.15 P.M. The attendance was good. Dr Jackson presided.

The Minutes of Ordinary Meeting held on the 11th November 1942 were read and confirmed.

The following names had been considered by the Committee and passed for election, and were declared elected at the meeting: Miss Jacqueline Hillar, Box 180 Grahamstown, pro. Mr. T. Mackenzie, sec. Mr. Krenn. Dr M N Fysh, "Canterbury" Devondale, pro. Dr. Stoy, sec. Mr. Menzies.

The meeting adjourned to the instruments of the Royal Observatory, which were available for observational purposes by courtesy of Dr. Jackson, H. M. Astronomer.

The seeing was fair, and although some cloud was present, members viewed the moons of Jupiter, the rings and moons of Saturn, and the lunar mountains through the largest telescopes of the Observatory. The Main Building and the Reversible Transit Circle were also visited.

This concluded the business for the evening.
