

Astronomical Society of South Africa (Cape Centre)

Minutes of Committee Meeting held at the Royal Observatory on Wednesday the 17th November 1943 at 7.45 P.M.

Present: Dr. Jackson (in the Chair), Dr. May, Messrs de Kock, Davies, Krumm, Orben, Livingston, and the Hon Secretary.

The Minutes of Committee Meetings held on the 16th June 1943, 14th July, 18th August and 15th Sept 1943 were read and confirmed.

The Financial Statement read by Mr Krumm showed a balance in hand of £23.

The effect of the Bus Curfew on the times of meetings was discussed, and it was decided to postpone altering the times until near the next meeting of the Centre in March 1944.

A proposal embodied in a letter received by Mr. Krumm in his capacity of Editor of the Monthly Notes from the Editor of "The Sky & Telescope" that the ~~Centre~~^{Society} should purchase copies of this publication, ^{especially prepared for the Southern Hemisphere} for its members, was considered by the meeting, and it was decided to obtain the opinions of members on the subject.

This concluded the business for the evening.
