Met at Royal Observatory

Present, Mr. W.P.T. Schiack in the Chair, Messrs. Mc Davis, A. Neugebauer, R.J. Johnston, R.F. Innes and J.B.G. Turner

The minutes of the Committee Meeting held on 6th December, 1949, were read and confirmed.

The ~~Chairman~~ Hon. Secretary reported that he had been informed by Mr. Bercherts that the arrangements for the Film Evening on March 8 were going forward satisfactorily.

The Chairman drew members' attention to the forthcoming retirement of Mr. Jackson from ~~his~~ his post as His Majesty's Astronomer at the Cape; and it was decided that members of the Centre should be asked to contribute towards a fund for a suitable presentation, and that a donation should also be made from the Centre's funds. It was agreed that a further Committee Meeting should be held in April or early May to discuss this matter.

There being no further business, the meeting then adjourned.

W. Schiack
