1951 May 9

Held at Royal Observatory

Present: Dr. W.F. Schirach in the Chair, Rev. P.E. Tibbitts, R. Bowden, R.A. Trembath, C.A. Hall, R.J. Johnston and J.B.S. Turner. Apologies for absence were received from Rev. A.W.J. Cousins and N.G. Davis.

The minutes of the Committee Meeting held on 28th February, 1951, were read and adopted.

The Hon. Treasurer, while not presenting a detailed statement, said that the financial position of the Centre was substantially the same as at the February meeting of the Committee.

It was agreed that the Hon. Secretary should write to Miss A.K. Jeffreys thanking her for her kindness in addressing the Centre at the La Caille bi-centenary meeting on April 11.

It was decided that the next meeting of the Committee should be held in June or July, to arrange any necessary arrangements to be made for the Annual General Meeting of the Centre on August 8.

There being no further business, the meeting then adjourned.
