①

Minutes of Committee Meeting held at the Royal Observatory on  
 Wednesday 10<sup>th</sup> October 1956 after the Ordinary meeting of the Centre.

Present: Mr. W. P. Hirst in the Chair, Messrs Chalton, de Kock, Krumm,  
 Hinton & the Hon Secy.

An apology was received from Mr Borchers.

The minutes of the previous meeting were read & confirmed.  
 Arising therefrom the Secy stated that Mr van Dyke had agreed to  
 address the Centre between April & June next year.

The financial statement read by the Treasr showed receipts of £2-10-0  
 & expenditure of 10/3 leaving a credit balance of £12-18-5 to date.

As the next meeting for which a speaker was required would be  
 the March meeting it was decided to leave this item till a later  
 Committee meeting.

It was resolved that the names of members who had not paid their  
 subscriptions to the Centre should be read out at the next ordinary  
 meeting.

The Chairman asked members to consider what could be done to assist  
 in observations of the Artificial Satellites next year.

W. P. Hirst.
