

Minutes of the Committee Meeting held at the
Royal Observatory on Saturday 10 February 1962.
after the Annual Observational Meeting.

Present: Dr. A.W.J. Cousins in the Chair, the Hon.
Secretary, Mr. J. S. S. Hoff, Mr. W. C. Bentley,
Mr. G. H. H. Other Members had to be excused as they were
assisting at the Telescope exhibition on the lawn.

In view of the limitation of time ^{because of} the
preparation for the exhibition, it was decided to
call a Committee meeting on 14th March, immediately
after the Cape Centre Meeting. A rota of
those who were to assist at visitors' nights
was drawn up. ~~and~~ The Secretary confirmed that
Mr. F. Anderson of Worcester would address the
Centre on Wednesday 14 March. It was decided
that Mr. Kinn be approached in connection with
the April Meeting to ascertain as to whether he
would be able to arrange a film evening.

There being no further ^{immediate} business, the meeting
adjourned at 8.00 p.m.
