

Minutes of the Committee Meeting held at the
Royal Observatory on 13th Jan'y 1965 at 8.0 P.M.

Present Mr. Hone in the chair and Messrs.
Bentley, Atkins, Saville, Hirschley, Fairall
Malyszewski, Dr Cousins and Mr. Mummm.

The meeting proceeded immediately to discuss
a report by Professor Manning chairman of
the South African advisory Council on South
African Scientific Organization, activities and needs
This report had been submitted to Council for
its comments and subsequently submitted to all
Centres for their comment.

after a long discussion the attached report was
submitted to Council.

Mr. Fairall drew the attention of the committee
to the urgent need for a re-organization of the
arrangements on public rights.

after discussion the meeting agreed and appointed
Mr. Fairall and Mr. Atkins to examine ways
and means of conducting these surveys on a more
efficient basis and to report back to the next meeting
The date for the annual observational evening
would be announced later as would the date
for the Centre meeting in March.

after arranging the route for tea duty and
public enquiries the meeting closed at 9:35.

For
Chairman
10/3/65.
