

Minutes of the Committee Meeting held at the
Royal Observatory on 24th January, 1966, at 8.00 p.m.

Present: Mr. A. P. Fairall in the Chair Messrs Horn
Wanley, Bailey, Bondiella, Atkins, Horsdley and Saville.
Apologies for absence were received from Messrs
J. Churns and H. B. Molyneux who were at work.
Mr. Saville agreed to take the minutes of the
meeting in the absence of Mr. Molyneux, the Secretary.

The Chairman read the minutes of the two
previous Committee Meetings, which were approved.

The forthcoming Annual Observational Night ^{Meeting} was
discussed. It was understood that the Meeting would
definitely take place on 26th February, and details
of the programme for the evening were suggested.

The Committee discussed the programme for
future centre meetings and it was decided that
the Chairman approach Messrs Churns or Laurens
with a view to their addressing the March 9th meeting.
Further suggestions were for a "Question/Answers"
night and for a lecture with mechanical demonstrations
by Professor J. M. le Roux.

A new rota for Visitors nights and tea-duty
was drawn up.

The committee discussed the position of Associate
Members in the Society, and the procedure involved
in forwarding application forms to the Society Secretary.

There being no further business, the meeting
adjourned at 9.⁵⁰₀₅ p.m.

A. Fairall
(Chairman)
