

February 3rd and the ordinary monthly meetings in March, April & May.

The Chairman advised the committee that the Editorial Board of N.N.A.S.A. was in need of articles.

Feb. Editor

March Messrs Bentley & Whitworth

April Messrs Lamouth & Dr. Field.

The committee then discussed with Dr. Star, the Annual Observations evening, to be held on February 3rd and it was agreed that the following instruments would be open to for viewing

Victoria Telescope

The Elizabeth Telescope

The Self-Revolving Transit circle.

The Danish Astrakob

The Kew Observatory

The Clock room would have the light on only.

Mr. Wrenberg agreed to organize tea for the visitors.

There being no further business the meeting closed

J. Wrenberg
Chairman,
