

Minutes of the second ordinary General meeting of the Centre held at the Royal Observatory on Wednesday 14th October, 1970, at 8.20 p.m.

The Chairman Mr Harley presided. There was a very good attendance.

There were no apologies for absence.

Mr Harley apologized for not having attended the September meeting.

Mr Harding addressed the meeting on the future of the Observatory and the move of certain instruments to Sutherland. He covered the background to the move and the foreseeable future.

Dr P. T. Leidl who had recently returned from the U.S.A. then spoke on his impressions of the U.S.A. It was an interesting & well illustrated lecture. Mr Bentley proposed the vote of thanks.

The meeting was reminded that the next meeting would be held on ~~10th~~ ^{11th} November at which Mr Harding would speak on the 12" telescope.

The meeting closed at 9.40 p.m.
