

Minutes of a Committee meeting held  
on 21<sup>st</sup> September, 72 at 7.30 p.m.

Present Mr Greenwood in the chair Messrs Swaine,  
de Kock, C. H. Lamouth C. H. Lamouth Rochford with  
the Secretary in attendance.

Apologies were received from Mr Harby & Mr Turk.

The chairman outlined the  
proposed plan of for the following meetings.

1972. October - Professor Ahrens

Nov Mr. Nether

Dec } No meetings.

1973. Jan }

Feb - Observational evening.

March - Mr. Harby from Stellenbosch - Night Sky.

April Mr. Olwin (from Canada)

May Mr. Perry

Discussion followed and it was agreed  
that the following instruments should be  
available for the February meeting.

Transit Circle, Astrogaphic, Mr. Harby, 6"

12" RA Clocks, Refot, Kinn Teodolite

Planet microscope and that the members  
application forms & specimens of

Sky & Telescope & IANASSA should be  
available.

With a view to popularising the  
Centre and Astronomy it was suggested  
that a meeting be held at  
Stellenbosch and possibly in Sutherland.

It was suggested that the  
Committee should try to be interested  
in Variable Stars. With this in view  
it was proposed that Lt de Kock be  
shown how to use the 12" Row Atken's  
Telescope.

Centre Funds were low & of the  
~~part~~ ~~was~~ discussed very few members of  
members were discussed. There  
being 20 at R1.00 and 2 at 25c.

Lt Savell discussed the  
difficulty experienced in the making  
and handing out of tea and biscuits.  
It was suggested that tea packets  
be used - at 3c per packet - in  
place of loose tea. It was also  
suggested that we charge for tea.

Lt Harwood warned the  
committee that it was shortly  
going to be essential to have to  
re-roof the 12" Dome. The roof  
was full of holes and Aluminium  
would cost ± R110 plus nuts and  
bolts.

There being no further business  
the ~~the~~ meeting closed at 9.30 p

27/7/73
