

MINUTES OF THE MEETING OF THE CAPE CENTRE OF THE ASTRONOMICAL  
SOCIETY OF SOUTHERN AFRICA HELD AT THE S.A.A.O.  
ON WEDNESDAY 1977 MARCH 9 AT 20h00

Present: The Chairman Mr C.H. Larmuth, the Honorary Secretary Mr G.H. Larmuth, eighteen members and eleven visitors. Apologies for absence were received from Miss Parker, Messrs Bredenkamp, Clarke and Turk. The Chairman welcomed members of the Paul Roos Gymnasium Astronomical Society.

The minutes of the meeting held on 1977 February 9 were read by the Secretary and signed by the Chairman as correct.

The Chairman informed the meeting that on the following evening, March 10, there would be an occultation of a 9th magnitude star by Uranus and asked Mr R.F. Hurly to give details which he did.

There being no further business the Chairman then introduced the speaker Mr N. Saville, the Centre's Honorary Treasurer. Mr Saville gave a most interesting talk, illustrated by many slides, on a visit he made to Australia last year at the time of the October total eclipses.

The Chairman thanked Mr Saville on behalf of the Centre and closed the meeting at 22h15 for tea.

Signed as correct,

Chairman.
