

minutes of the meeting of the Committee of the Cape Centre
held at SAAD on Monday 17th July 1978.

Present The Chairman, Mr Bondiotti, and committee members;
R & Burke, HB Molyneux, G Parsons, C Turk, N Saville, P Booth, G Churms,
W Greenwood, G F Dean.

The minutes of the previous meeting (April 5th) were read and discussed.
The eyepieces have been found by Mr Churms. An inventory was made of
other instruments ^{including} the Lawrence telescope and ^{the KRUMM} ~~the~~ 4 1/2 inch ^{which is} ~~on~~ on the
Ran Atkins mount. The Lawrence telescope has been returned to ASSA; the
^{KRUMM has been found without its mounting.}
Mr Saville stated that the balance still stood around R150; an
increase in sub. to cover increased postage may be necessary next year.

The recent death of ^{Mr} Ran Atkins, a centre member of long standing
was discussed. It was decided to send R10 to a charity suggested by
his ^{wife} ~~relatives~~. Mr Bondiotti would mention the death at the A & M, and
Mr Molyneux would write an obituary for MNASSA.

The annual report to the A & M was discussed; and nominations
for the incoming Cape Centre Committee were received. The existence
and whereabouts of the Cape Centre constitution was discussed, ~~in the~~
~~light of the new ASSA constitution. The centre rep. is to bring this~~
~~up at the A & M of the ASSA.~~

Signed as correct
P. Booth
Chairman.
