

Minutes of the Committee meeting held at BAAO on
10/9^{sept}/80 at ~~19:30~~ 19h 30

For lack of time the minutes of the previous meeting were ~~not~~ not read. It was an emergency meeting to decide about a new Hon Treasurer. Mr Bredenkamp, an advanced level student ^{of linguistics} from Stellenbosch University had agreed to take this responsibility from Mr Thomas who was also his teacher some years earlier at Helderberg College. (Mr Thomas leaving for Zambia).

The Vice Chairman Post is yet not filled.
Re Membership in arrears: Pat Kramer has drawn up a final warning letter to send out with the October circular.

Re Public Liability insurance: A warning must be placed in the Ron Atkins Telescope dome to the effect that the telescope is used at own risk.

A set of damaged envelopes of which only about 25 ~~of~~ out of 500 were unusable could be bought for a ~~not~~ very low price. Should we buy these about 1000 of these?
