

Rosebank.

S I Hough, Esq. M.A., F.R.S.,
His Majesty's Astronomer.
Sir,

I have been directed by the Committee of the Cape Astronomical Association to inform you that at the inaugural meeting of members, held on the 8th inst, you were unanimously elected Honorary President of the Association.

I enclose a copy of rules I and II, which deal with the title and objects of the Association; and respectfully beg the favour of an early intimation regarding the nomination, as we desire to have the constitution printed as soon as possible.

I must apologise for the delay in writing to you, but, when taking up the secretarial duties, I was under the impression that
you

you had already consented to the
nomination.

I have the honor to be, Sir,
your obedient servant,
J. F. Skjellerup,
Hon. Secretary.
