

## **ASSA Membership report 2023/24**

The ASSA Membership has grown to a total of 121 valid members for the 2023/2024 year. This consists of 100 standard members, 1 Associate, 13 honorary, 2 Bursars and 5 Gratis members. Eighteen members did not update or confirm their details and 4 people indicated that they will not be renewing their membership.

The 2024 Sky Guide were sent out using Pudo and Paxi, two were couriered, and one hand delivered in Namibia. Pudo and Paxi remain the best option for delivering the Sky Guides.

The membership database was upgraded from a standard spreadsheet to an online membership website where all details of members are managed in one central place. All documents such as membership forms or proof of payments are attached to each member's record. Records are kept of tracking numbers for the delivery of the annual Sky Guide, as well as payments made by members.
