

22th September, 1922

Dear Mr. Schonegevel,

I enclose a letter from Mr. Holcroft of East London, enclosing details of his extraordinary observations of the Moon.

He asks me to request you to communicate with him in the letter, and I shall be pleased to have it in your hands.

Yours faithfully,

E. M. Astronomer.

W. W. Schonegevel Esq.,
Hon. Secretary,
Astronomical Society of S. A.
P. O. Box 2061,
Cape Town.
