

29 Dallands Road  
Grahamstown C.O.  
5th June 1923

Dear Mr. Pilling, I am very sorry that the  
trouble which I had during my last week in  
Grahamstown did not permit me to bid my kind  
friends at the R.O. good-bye.  
I shall be glad if you will make my apologies  
to them all.

If it is not asking too much I shall be grateful  
if I can be supplied with the list of occultations  
of the Moon from July to December of this year.  
I only want name of star, magnitude and mean  
time of disappearance and re-appearance.

With kind regards,

Yours sincerely  
Theodore Krackhauer

L. Pilling Esq.  
R.O. Cape
