STRATHMORE,
KALK BAY. C.P.

11 Feb: 1927.

Dear Dr. Spencer Jones,

I was sorry that I was unable to see you before leaving, the other night, as my friend Mr. Holmes & I had to leave early to catch the 10.31 train. I had wished to thank you - as I do now - on behalf of the "Cape Centre", for your kindness in allowing us to meet at the Observatory & to use one of the Telescopes, a courtesy which we all greatly appreciated.
