

Section Report – ASSA Web Manager 2020

The website statistics for July this year were Users : 3900 and Sessions : 5000.

There were two major articles published, namely photos and article about Comet C/2020 F8 (SWAN) by Kos Coronaios. The other article and images were about Clyde's Spot by Clyde Foster.

The "Second-hand equipment for sale" section had about 25 – 30 adverts and many telescope have found new homes.

Regards

John Gill
